FULL-TIME PRIEST

Holy Sacrament Episcopal Church, Pembroke Pines, Florida

Holy Sacrament is seeking a strong leader for position of Rector. Located in sunny South Florida, positioned both geographically and spiritually for growth, we are a culturally diverse congregation with an average weekly attendance of approximately 300 communicants. We are mission-oriented and dedicated, having made multiple trips to the Caribbean. We are open to new ideas and desire to grow in our outreach programs, missions and visions. We are interested in someone who can guide the community through preaching and teaching, and lead us to growth and stability. We are an urban church seeking to develop into a program-style parish. We seek a rector who will deliver biblical and contemporary issue sermons, who will support a strong youth ministry, and who will provide guidance for daily living. This will require a rector who will be able to recognize and nurture new leaders in the church. We also seek someone with Administrative skills in order to oversee our budget and supervise 6-10 employees. Please visit our website at www.holysacrament.org for information and application.
